## BOSS BLACK PANTHER TAR-OFF

---

### **Customer Benefits:**

BOSS TAR-OFF is a formulated industrial solvent degreaser that easily removes grease and tar from vehicles and equipment surfaces. This product is safe for use on painted surfaces.

Note that this product is flammable in the presence of open flames, sparks and heat. BOSS TAR-OFF must be stored in a segregated and an approved area for flammable products. The TDG Classification is CLASS 3 Flammable Liquid. The WHMIS Classification is B-3 combustible liquid.

This product is an Industrial Solvent and all the safety precautions and procedures must be adhered to without exception.

### **DIRECTIONS FOR USE:**

Spray directly into soiled area. Let sit for a few minutes and rinse off with a generous amount of water. Repeat procedure if necessary.
