

PRODUCT SPECIFICATION DATA SHEET

BOSS ORANGE TIGER PLUS

Customer Benefits:

A safe and effective alternative for Toluene, Hexane, Varsol and other hazardous solvents. BOSS ORANGE TIGER PLUS does not require the use of hazardous chemical waste handling and disposal methods. This product can be used for almost all degreasing requirements where speed, safety and total evaporation are essential. BOSS ORANGE removes heavy grease, tar and oil from transformers, motors, generators, vehicles and parts when used as directed. This product has NO adverse effects on power cable and will not cause tracking when used to clean high voltage cable. This product is flammable and TOXIC and handling precautions should always be observed.
