## BOSS PREMIUM ASHLESS NATURAL GAS ENGINE OIL

---

### Customer Benefits:

BOSS NGEO engine oils are formulated with superior Group II base stocks and the most advanced chemical additive systems. NGEO engine oils provide exceptional control of deposits, wear oil oxidation and oil nitration in high output, highly Turbo-charged natural gas engines. These NGEO oils are premium quality, dispersant-detergent gas engine oils designed for use in four-stroke cycle engines fueled by natural or LPG. These oils provide API CD Service level performance and long catalyst life of emission control system catalytic converters.
