## BOSS KEROSENE

---

### Customer Benefits:

BOSS KEROSENE is a very clean burning fuel with low odour and less combustion product smell than any other fuels. BOSS KEROSENE is recommended for lanterns (both wick burners and incandescent mantels), non-vented space heaters and other appliances designed for a clean, light fuel. BOSS KEROSENE meets the stringent sulphur requirements for the 1-K grade and the CGSB REFERENCE: CAN/CGSB-3.3-M89 Grade 1-K.

### PERFORMANCE SPECIFICATIONS:

Density, KG/l @ 15C	0.81
Sulphur, wt%	<0.01
Viscosity, cSt @ 40C	1.2-1.6
Distillation, c	
IBP	164
10%	183
50%	212
90%	254
FBP	280
Flash Point, C	45
Cloud Point, C	-40
Pour Point, C	-40
Color	CLEAR
Electric Conductivity, ps/m at point of delivery	25

**DANGER:** Harmful or fatal if swallowed
