

VEHICULAR NATURAL GAS ENGINE OILS

VNGEO is a premium quality, low ash, dispersant-detergent engine oil specifically designed for use in vehicular natural gas engines engine oils. This product is formulated with premium Group II base stocks and an excellent premium additive system. Provide maximum protection against high temperature oxidation wear, rust, corrosion and viscosity breakdown while keeping your engine exceptionally clean and free of sludge and varnish. High TBN reserve effectively neutralizes combustion formed corrosive acids which help protect turbo bearings and other vital engine surfaces.
