**Boss Lubricants**  
Calgary, AB

Dear Jerret Flegel and Calla Caffyn,

Thank you so much for generously providing **Engine Oil** for all the vehicles that were serviced at the *Oil Change Day* event on Saturday, August 7th, at FAC. We are so grateful for sponsors like you. Because of your partnership with us, we were able to service **55 vehicles** of local families who for one reason or another were unable to afford this simple yet important vehicle tune-up.

We are grateful and look forward to continue working with you to help serve our community in this capacity.

Sincerely yours,

**Carter Reimer**
