Boss Lubricants
Calgary, AB

Dear Jarrett Flegel,

Thank you so much for generously providing **10W30 Engine Oil for 70 vehicles for the *Oil Change Day*** event on Saturday, April 30 here at FAC. We are so grateful for sponsors like you; we are now in our 17th year of *Oil Change Day!* Because to your partnership with us, we were able to service **52 vehicles** of local families who would otherwise be unable to afford this simple yet important vehicle tune-up.

We are grateful and look forward to continue working with you to help impact our community in this capacity

Sincerely yours,

Carter Reimer
